25X1 4. [ ] Made arrangements with Mrs. Parker, on  
the staff of Senator Hiram Fong (R., Hawaii), for Messrs. [ ] and 25X1A  
[ ] to meet with Mr. Clarence Fong in the Senator's office at  
25X1A 2:30 p.m. on Monday. [ ] is to confirm this with Mrs. Parker on  
25X1A Monday morning.

25X1 5. [ ] Talked with [ ] about the  
25X1A matter of the interest of [ ] with the  
25X1A Agency in the future. [ ] in the 25X1A  
25X1A office of Senator Sam Ervin (D., S.C.). [ ] said someone  
25X1A would be making an informal contact with [ ] to give him a point of  
contact in the Agency and she will keep us informed.

25X1 6. [ ] Hand-carried to Ed Braswell, Chief Counsel,  
Senate Armed Services Committee, a sanitized version of a memorandum  
25X1A prepared by Mr. [ ] having to do with Braswell's request for information  
on a "U-10 mini-gunship."

25X1 7. [ ] Returned to David Martin, Senate Internal Security  
25X1C Subcommittee staff, materials which he had lent to us on [ ]  
25X1C with the response that although we acknowledged that [ ] was a sincere  
anticommunist patriot who had assisted many suppressed people, we were  
unable to be of any assistance in his current desire to seek some way to go  
to Mongolia in the role of a correspondent. Martin expressed his regret  
with this response and asked if we would keep the matter under consideration.

Mr. Martin noted he is now receiving duplicate copies of the USSR,  
China, and Eastern Europe FBIS Area Books instead of just one copy. We  
told him we would take care of this with FBIS. FBIS has been advised.

25X1 8. [ ] Sam Scott, on the staff of the Senate Internal  
25X1C Security Subcommittee, referred to the article in the Washington Daily News  
today on [ ] who reportedly is in West Germany,  
and made the usual request that the Subcommittee be given access to him  
"if, as, and when he might become available." I told Scott we would note his  
request for the record.
